## ANCHOR THREAD 316L STAINLESS

Product#:

**AT500GSS** (GREEN)

**AT500YSS** (YELLOW)\*

**AT500BSS** (BLUE)\*

**AT500RSS** (RED)\*

**AT500OSS** (ORANGE)†

- Workload: 5,000lbs. (2,268kgs.)
- 50 units per box
- Mounting nails included
- Removal tools included

\* Special order colors for color coding by trade or BIM standards. † Standard eye nut not rated for personal fall protection included.

### 1/2" ANCHOR NUT KIT

Product#:

**AT500ANKEA**

- Anchor nut workload: 5,000lbs. (2,268kgs.)
- Maximum plate capacity 7/16
- 1 kit per package

### 1/2" HEAVY DUTY EYE NUT\*

Product#:

**AT500HDEA**

- Workload: 5,000lbs.
- ANSI/ASSP Z359.18-2017 TYPE T
- 1 HD Eye Nut per Package

\* Rated for personal fall protection

### 1/2" BOLTABLE LOCK PLATE KIT

Product#:

**AT500BLP**

- Reusable lock plate for mounting Anchor Thread to formwork
- 25 kits per box

### 1/2" ANCHOR NUT WRENCH

Product#:

**AT500ANWEA**

- Tool makes installation easy and convenient
- 1 per kit

### 1/2" COLOR CODED RUBBER PLUGS

Product#:

**AT500RPR** (RED)

**AT500RPO** (ORANGE)

**AT500RPG** (GREEN)

**AT500RPY** (YELLOW)

**AT500RPB** (BLUE)

**AT500RPGD** (GLOW IN DARK)

**AT500RPL** (LIMESTONE)

### D-BOLT INSTALLATION

Anchor Thread® is the revolutionary, award-winning recessed cast-in-place concrete anchoring system that provides unparalleled strength, safety, versatility, and reliability.

✓ Safer ✓ Stronger ✓ Cleaner ✓ Faster

## ANCHOR THREAD® Advantages

- Ready for Use Immediately Upon Formwork Removal
- No Drilling Required
- 5,000lb (2,268kg) Maximum Workload
- True Code Compliance for Leading-Edge Protection
- Virtually Eliminates Ground Silica Dust
- Cost-Effective
- Expedites Cycle Time
- Reduces Ladder-Time
- Easily Patchable
- Environmentally Friendly

## ANCHOR THREAD® Applications

- Personal Fall Arrest System
- Leading-Edge Protection
- Safety Netting
- Debris Netting
- Shaft Netting
- MEPS
- Ceiling Systems
- Building Maintenance Safety Connection Points
- Emergency Evacuation Repel Points
- Architectural Details
- Equipment Tie-Down Point
- Temporary Lighting Connection Point
- Curtain Wall
- Window Wall
